# Kara Console

Year 2024

KARA is a console centered on the acceptance of imperfection. An alluring, surprising shape of top is not only accepted but embellished and developed by the protruding legs that learn their shape and position from the top. The top and legs of the console are unified and

act as one piece; the combination of which is a console that is unequivocally singular. Kara is available with a mirrored top to highlight the unique shape that it possesses and is available lacquered in both matte and high gloss versions.
