# Silo Dining Table

---

Year 2023

Silo Dining Table is an impactful piece designed to explore the usual characteristics of a dining table. For the Silo Dining Table the base and top communicate and coincide harmoniously, both working together to create a piece that is as visually striking as it is minimal and pure.

The size and seeming weight of the top piece gives the entire table a sculptural feel. Each part of Silo can be customised in both matte and high gloss colour options and Silo is available in 3 distinct sizes.
