# Gemini Soft Hex Coffee Tables

Year 2021

The Gemini Coffee Tables are characterised by the combination of materials on the top and bottom of the table. Leather wraps around the entire base and even continues up the underside of the table top. Half way around the top the leather stops and the table is

finished by a marble top with a perfectly curved edge which mirrors the curve of the leather. The Gemini Tables are available in either a round or soft-hex top and in a variety of stone and leather combinations.
